County School Board Approves Construction Of New Additions In Gettysburg And Littlestown

The Adams County School Board at its meeting in the court house Monday night approved the proposed construction of an auditorium and eight new classrooms at Gettysburg high school and the addition of ten new classrooms, a cafeteria and health room at the Littlestown elementary school.

Assistant County Superintendent of Schools Charles I. Raffensperger explained to the board that both school jointures, Gettysburg and Littlestown, "are anxious to start building as soon as possible. Both of them need more room to take care of the children at the schools."

Made Oral Requests

Approval was given Gettysburg's planned high school expansion on an oral report by Raffensperger, who explained that he and Dr. Lloyd C. Keefe, superintendent of the Gettysburg schools, had been in Harrisburg during the day clearing details with the Department of Public Instruction and that it had been impossible to have written details available in time for the county school board's approval. To expedite the Gettysburg plan, the approval was given with the understanding that a letter, for the record, will be prepared later.

In its letter of application to the county board for approval, the Littlestown school system explained that the additional class rooms are necessary to permit accommodations for all pupils from the rural school districts in the Littlestown jointure.

Most school boards have already made arrangements for their teachers and other employees to take the Pennsylvania Loyalty oath between March 1 and April 1, County Superintendent J. Floyd Slaybaugh reported.

Outline Bus Stops' Plan

The board passed a routine resolution urging all boards to comply with the Loyalty act. Members of the board also planned to take the oath at the March meeting.

Details of the Upper Adams joint school system's school bus stops were outlined by board President Luther M. Lady. Lady said that he, accompanied by a representative of the local state highway department office and one of the school bus drivers, toured bus routes over a three-day period, deciding where all the stops will be located. The state highway department will forward the planned stopping places to Harrisburg for approval by the state highway department. When that approval is forthcoming, Lady said, the state highway department will begin placing the "school bus stop" signs already purchased by Upper Adams.

The board said that it plans no change from its action of approval by which the two veterans agricultural

EDGAR SHEALER, GUIDE, OBJECTS TO C. W. EPLEY'S GOP PETITIONS

A hearing will be held in Harrisburg at 3 o'clock Wednesday afternoon on the petition of Edgar G. Shealer, battlefield guide, of Straban township, Gettysburg R. 4, asking that the petition of Clarence W. Epley, 100 Chambersburg street, for member of the Republican state committee be set aside, on the grounds that nominating petitions filed by Mr. Epley are "defective, insufficient and invalid."

Veteran politicians here today said they cannot recall when legal objections were filed against a candidate in this county. They also said they cannot remember when anyone had ever exercised that prerogative in this vicinity.

Objections to Mr. Epley's petitions were filed in the Court of Common Pleas of Dauphin county, by the Harrisburg law firm of McNeese, Wallace and Nurick, for Mr. Shealer, representing himself as an enrolled member of the Republican party in Adams county.

The following reasons are listed: "That certain purported signers on said petition do not state a residence in a city, borough or township of Adams county."

"That certain purported signers on said petition do not state the number and/or street of his or her residence in a city, borough or township of Adams county, where such number and street exists."

"That in the case of certain purported signers on said petition the persons signing the same were not registered voters of the Republican party."

"That said petition as filed contained a total of 109 names."

Times And WGET Open - Voluntary Subscription Campaign For Organ For Gettysburg A.M.E. Zion Church

A voluntary subscription campaign will be conducted by The Gettysburg Times and radio station WGET to raise funds to help purchase a new pipe organ for the A.M.E. Zion (colored) church of Gettysburg. There will be no solicitations. Contributions will be voluntary and may be made in any amount the donor wishes. All the money raised will be used to purchase an organ for the church.

Rev. J. O. Fountain, pastor of the church, said the present organ is obsolete and almost beyond repair. He said that he doubts that the instrument can be reconditioned to be usable.

The drive for funds is being made by The Times and WGET upon the request of public spirited citizens who have, for many years, been interested in the A.M.E. Zion church, although they are not members of the congregation.

The local parish, with a membership of 54, has been unable to build a reserve fund for much needed improvements and other essential needs to the church, among which is a new organ. Voluntary contributions from other Protestant churches in Gettysburg have lent sufficient financial

assistance to the church to enable it to maintain a full-time pastor and meet current expenses.

Now the church is badly in need of a pipe organ to replace the antiquated instrument which has been in use for many years.

The kind of an organ to be purchased for the church will depend upon the amount of money voluntarily donated by generous-minded citizens of Gettysburg and Adams county.

Colonel William O. Weaver, Burgess of Gettysburg, has been appointed treasurer of the organ committee.

Contributions may be sent to The Gettysburg Times, radio station WGET or to Burgess Weaver, all of Gettysburg. Checks are to be made payable to the Organ Fund, A.M.E. Zion church.

Since The Times announced two weeks ago that the church was in need of a new organ unsolicited contributions have been received from four sources totaling \$30. They are: Mrs. Frank Vardell, R. 5, \$10. "Well Wisher" (anonymous), \$5. Lt. Clyde D. Berger, \$10. Mothers' Class, St. James Lutheran church, Hazel Sixes, treasurer, \$5.

Charge Countain With Speeding

A ten-day notice was sent today by Justice of the Peace John H. Basehore to John E. Slaybaugh, Aspers R. 1, charging him with speeding February 24 on the Bigler-ville road. The charge was filed by state police of the Gettysburg substation.

State police also charged Hazel Columbus Slawter, driver for the McClean Trucking company, Winston Salem, N. C., with overloading and a ten-day notice was mailed by Squire Basehore.

New Orleans' Famous Mardi Gras Reaches Climax Tonight

New Orleans, Feb. 26 (AP)—Merry-makers crammed this city of fun and frolic today for a final dose of that carefree madness that is Mardi Gras.

The carnival season reaches its climax tonight. It began Jan. 7 and blossomed into full swing Feb. 17 with its first street parade.

Until the stroke of midnight, revelry rules this gay city of the Bayou country. The weatherman promised to keep the skies free of rain for the grand finale, but warned it would be cold, cloudy and windy.

Rex, the monarch of Mardi Gras and the Lord of Misrule, topped the list of street entertainment with his extravaganza. But rivaling the parade of the king and queen were the antics of the cavorting Zulu warriors. The Zulus, a negro society, are annual favorites with the tens of thousands of howling, jostling observers. Where other parading Krewe's toss candy, gum and small trinkets to the spectators, the Zulus heave heavy coconuts.

SUPERVISORS URGED TO USE STATE FUNDS

Adams county's township supervisors were urged Monday night to take advantage of "matching funds" offered by the state "to get the farmer out of the mud."

H. A. Thompson, Upper Darby, secretary of the state Association of Township Supervisors, told the county supervisors at a meeting held in the court house:

"The state allocated these matching funds for a very definite reason. Both the Legislature and the state highway department are convinced that the township supervisors can do the job of getting the farmer out of the mud cheaper than the state highway department can do it. They know also that the township supervisors can do a good job on the roads, because they have proven their ability in the past. The only (Please turn to page 8)

ARMY GENERAL IS COMING HERE

Major General Cliff Andrus, deputy commander of the Second Army, will visit the Army ROTC unit at Gettysburg college Wednesday. General Andrus is expected to arrive about noon and will be the luncheon guest of Dr. Henry W. A. Hanson, president of the college, at the Hotel Gettysburg.

Captain C. B. Spicer, Jr., professor of military science and tactics at the college, will also attend the luncheon and will conduct General Andrus on an inspection tour of the Army ROTC installation at the college. The general will discuss with the military personnel and President Hanson problems incident to the reserve officer program here.

General Andrus, who has more than 30 years of distinguished service, is the holder of the Distinguished Service Cross, the second highest award for valor; the Distinguished Service Medal; the Silver Star with Oak Leaf cluster; the Legion of Merit with Oak Leaf cluster; the Soldier's Medal and the Bronze Star with cluster.

This will be the general's third visit to Gettysburg college. He was here last year, and in 1950, he was the speaker on the commemorative program of the Gettysburg fire department's observance of the Battle of Gettysburg. He will be accompanied Wednesday by his aide-camp, Captain E. W. Potter.

Claims State Will Have Best Tourist Season

Harrisburg, Feb. 26 (AP)—Pennsylvania can expect the biggest influx of tourists in its history during the coming year, a group of state motor club officials were told today.

Elmer Jenkins, national touring director of the American Automobile Association, told the closing session of the annual conference of Pennsylvania Motor Federation officials:

"With its scenic and historic attractions, and its modern highways, this state ranks high on the list of travel preference."

Jenkins said new travel records are being set in all sections of the country and that Pennsylvania should reap a major portion of the tourist trade.

The federation honored its manager, R. B. Maxwell, of Harrisburg, last night at the annual banquet for his 25 years of service with the organization.

Reds Reject Allied Suggestion To Drop Norway, Russia From Supervision Of Truce In Korea

Seoul, Korea, Feb. 26 (AP)—Allied airmen today sat out the slow-down Korean war. The weather stopped aerial strikes against the Reds for the first time since Christmas.

Only weather reconnaissance planes took off Tuesday morning. They looked for holes in the snowy overcast hanging above the Korean hills.

Fifth Air Force pilots flew only 14 sorties Tuesday—the lowest number in two months.

Weather Blocks Flies

Weather stymied all Fifth Air Force night fighters Monday night. Only 217 sorties—about 1-3 normal—were flown by the Fifth Air force in daylight Monday. The planes cut Communist rail lines in 15 spots and destroyed 27 supply buildings and 190 vehicles. Two days earlier, 772 sorties blasted Red rails in 143 places.

Ground action was almost at a standstill Monday. Eighth Army headquarters reported a few light patrol actions and some artillery fire.

Allied mortars broke up a Chinese Communist attack on a patrol east of the Pukhan river on the central front in Monday night's biggest scrap.

Allied artillery hit scattered enemy groups Monday, inflicting 65 casualties.

Munsan, Korea, Feb. 26 (AP)—Communists today "categorically rejected" an Allied proposal that would ban Russian supervision of a Korean truce.

The Allies had proposed four neutral nations police the truce instead of six. This would cut Norway off the United Nations list and Russia off the Red nominations.

"We cannot consider" it, said Chinese Col. Pu Shan.

Staff officers also remained deadlocked on the number of ports of entry each side should be allowed during a truce. The Allies now propose six, the Communists five.

Another group of staff officers devoted their entire session to minor differences in phraseology on arrangements for exchanging prisoners of war.

Accused Of Stalling

As truce talks adjourned until Wednesday, each side accused the other of stalling.

The U.N. command made its compromise proposal on neutral supervisors Monday in an effort to get around the newest road block toward ending the bloodshed in Korea.

It would limit supervising nations to Sweden, Switzerland and Communist Poland and Czechoslovakia. This would get rid of the Russian problem.

"The point is not the number of members on the neutral nations supervisory commission," Col. Pu Shan said, "but it is the question that one side cannot give reasons for objecting to the nominations of the other side."

Respect U.N. Objections

What he meant was that the Communists could name any nation they wanted to the commission, so long as it was not actively fighting in Korea and the U.N. had nothing to say about it.

The Allies have told the Reds the nominations of each side are subject to approval by the other; and that Soviet Russia is not acceptable because of past participation in Korea. The Red Korean army is trained, advised and supplied by Russia.

Col. Don O. Darrow told Pu Shan the Allies could not accept the Communist method of solving the problem of neutral nations.

The Allies have consistently refused to be drawn into debate over whether the Soviet Union has been neutral in the Korean war.

Seek All Concessions

After the session Brig. Gen. William P. Nuckols, spokesman for the U.N. command, said the Reds were "attempting to bring every possible last ounce of concession from the United Nations command."

He noted North Korean Col. Chang Chun San twice "carefully inserted" the word "final" in reference to the Red compromise offer of five ports of entry. The Allies' offer of six is also a compromise. The Reds started with three, the Allies 12.

The day's sessions brought no mention of charges of germ warfare which have been spilling out over the air waves in recent days from Red radios in Peiping and Pyongyang.

LOCAL COUPLE WED 50 YEARS

Mr. and Mrs. Calvin D. Stallsmith are quietly observing their fiftieth wedding anniversary at their home on North Stratton street today.

Mr. Stallsmith, a son of the late George W. and Freddie Ann (Herr) Stallsmith, of Straban township, and Minnie F. Wisler, a daughter of the late Aaron and Harriet Ann (Bringing) Wisler, Butler township, were united in marriage February 26, 1902, in the parsonage of the Arendtsville Lutheran church by the late Dr. David T. Koser, pastor. They began housekeeping in York where Mr. Stallsmith was employed by the Weaver organ company.

Returning to Adams county in 1904, they resided with Mrs. Stallsmith's parents until 1909 when they moved to Gettysburg.

Mr. Stallsmith followed his trade as a carpenter until 1912 when he was injured in a fall from a scaffold while helping to build a house in Gettysburg. Since then, he has been engaged chiefly in the insurance business. From 1918 until 1926, he managed the carpet department in the former G. W. Weaver and Son department store.

Mr. and Mrs. Stallsmith have been members of St. James Lutheran church since coming to Gettysburg. They are the parents of one daughter, Vestal, at home.

Change Deadline
Deadline for reservations for the Rural Life day program at Hanover March 8 has been extended to Monday, Miss Mary Jane Mickey, county home economics extension representative, reported. While attendance at the Hanover affair is restricted to members of the county-wide 4-H clubs and the individual clubs in the eastern half of the county, more than 50 have already signified their intention of attending the program, sponsored by the Hanover Chamber of Commerce. The possibility of making caps and caps for 4-H members participating in parades was discussed.

A movie showing 4-H participation in a county fair was shown. The next meeting of the county council will be held April 3 at the Adams Electric building.

Warriors Close Season By Nipping Delone 52-47

After blowing a 13-point lead amassed late in the third period, the Gettysburg high eagles surged back in the fourth period to upset Delone 52-47 as the Warriors closed their season Monday night at McSherry's town.

The triumph marked the first time during the season the locals won as many as two games in a row and gave them an over-all season record of 7-13.

Coach Forney's outfit led most of the way, getting off to a 15-10 lead in the first stanza when "Skip" Pischel landed four goals. Captain Jack Bream added a pair and Bob Hixon one while Jim Skinner looped a foul to complete the scoring during the period. J. Smith led Delone with five tallies.

Attacks of both teams broke down somewhat in the second quarter with scoring about even as the Warriors held a 25-19 advantage at half time.

Squires Take Lead
Gettysburg moved off into a 34-21 lead early in the third frame but the scrappy Squires fought back on 12 straight points, most of which were accounted for by the sharp-shooting Harry Mumma. Going into the last quarter the Warriors were on top 36-33.

Delone gained its first lead of the evening on goals by Jerry Smith, Frank Funk and Mumma but the Warriors were equal to the occasion and came back to sweep ahead and clinch the decision. During the last quarter Bream, Skinner and Harriel each hit for two goals with Pischel looping one and Bream converting two charity tosses.

Scrubs Win 13th
Ross Sachs' reserves edged the Delone jayvees in a nip and tuck preliminary game 28-23 for their 13th triumph as against five setbacks.

Tonight Delone will be host to Westminster.

Turner Outclasses Flanagan On Monday

Philadelphia, Feb. 26 (P) — The answer to boxing's recurrent question "how good is Gil Turner?" Seems to be just as good as he has to be. Turner, unbeaten Philadelphia welterweight sensation, gave evidence of that last night as he completely outclassed Del Flanagan of St. Paul.

Some fight critics have written that Turner is easy to hit; he has a lot to learn about ring generalship; he doesn't know where half his punches are going. Maybe so. But he always wins—so far. The 21-year-old Philadelphia negro has won 29 fights, 23 by knockout or TKO. The latest was last night's 10 round unanimous decision over Flanagan.

Turner demonstrated that it is going to take a real puncher with a knockout potential in either hand to really give him trouble. Flanagan, a lightweight turned welter, found out that being cute won't beat the flying fists of young Gil.

Flanagan obviously wanted to set the pattern of the fight. He wanted to hit and run, weave and bob, switch from right to left and vice versa with his leads. He figured to make Turner look silly swinging at an illusive target. But he failed to reckon with Turner's amazing stamina and his relentless aggressiveness.

Playoff On Bullet Floor Next Monday

Arrangements have been completed for Hanover and Chambersburg to meet on the Gettysburg college floor next Monday evening at 8 o'clock to decide the second half title of the South Penn Basketball league.

The plans are based on the assumption that Chambersburg will win its final league tussle with winless Shippenburg at Chambersburg Friday night in which event the Trojans and Nighthawks will be tied for first place. Should Hanover triumph next Monday, another game would be needed between the teams to decide the league title.

Prof. Guile W. Lefever of Gettysburg high school is in charge of Monday's contest. He stated today that doors to the gymnasium will open at 8 o'clock. A limited number of tickets for the game may be secured at the local high school office later this week.

Announcement has also been made that Waynesboro and Greenacres will meet in a District 3, Class B PIAA playoff on the college floor Saturday evening at 8 o'clock. Doors will open at 7 o'clock. Tickets may also be secured at the Gettysburg high school office. Admission for both games will be 60c for adults and 50c for children.

Today's Talk

By GEORGE MATTHEW ADAMS

IF YOU LOVE ENOUGH

No one can honestly dispute the fact that love is the greatest force in the world. Have it in your mind and that mind will keep reaching outward, far and wide. Have it in your heart and your heart will keep getting bigger and warmer toward everything in nature and in life.

The late Dr. George Washington Carver, the amazing negro scientist, once said: "Anything will give up its secrets if you love it enough." None are so wholly confidential as these newly in love. The entire world, then, is a thing of wonder and beauty.

The most fragrant flowers in a garden are those which have been watered and nourished with the love of the one who planted and attended them. Even life must be loved if you would make it a grand success and a thing of joy. The substance for happiness lies all about us. It is pictured in the heavens, in the glory of the earth, in the gesture of the wind, the rain, the snowflakes, and the rhythmic bend of branches.

Love scenes are forever going on among the flowers, insects, animals and birds. With the flame of love alive in the heart capacity for happiness and achievement is enhanced by leaps and bounds! There is no power so potent. What a dramatic sentence from the Bible is that one which states: "For God so loved the world."

One of my favorite characters in fiction is that of Sydney Carton in "The Tale of Two Cities" by Dickens. He was a man who willingly offered up his life for the love of another. If you love enough to sacrifice seems too great an offering to it. Inbred is the love of a mother for her offspring, both in the world of nature and in human life.

Dr. Carver so loved the commonest flowers and weeds that they readily gave up their secrets to him. And they will do it for any of us—if we love enough. People who love their work go furthest and mount highest! Love is, as Drummond once said in a famous book of his, "the greatest thing in the world."

Tomorrow Mr. Adams will talk on the subject: "On Advertising." Protected, 1952, by The George Matthew Adams Service

SHROVE TUESDAY
I still can hear the mother say:
"Tomorrow Lent begins,
When we shall seek, from day to day,
Forgiveness for our sins."

"This evening when you come for tea
I'll serve a special treat,
Then ready will the pancakes be—
As many as you'll eat."

"But when the evening prayers are said
We'll turn to simpler ways
And follow as the Master led
For forty nights and days."

"We'll ask the Lord us all to bless,
As He has done so before.
We'll serve ourselves a little less
And God a little more."

A Sad Sight: A sad scene, the like of which has rarely, if ever, been witnessed before in Gettysburg, occurred Wednesday evening upon the arrival of the 6:40 train over the Reading Road. The remains of two of our town's people were taken from the train, placed in hearses and conveyed to their respective homes which they left but a short time ago. The remains were those of Miss Addie Horner and Mrs. Elizabeth Scott. The former died at Philadelphia and the latter at Loydsville.

NO EARLY HELP FROM GERMANY

Bonn, Germany, Feb. 25 (AP) — Allied officials said today that the Atlantic army will have to wait at least until 1955 for the 12 German divisions it counts on to help defend the West.

Despite the green light given the European army by the Atlantic Allies at their Lisbon conference, these officials said that recent political developments, especially in France, have set back the previous time table calling for combat-ready German troops by 1954.

The sources here explain the situation thus:

The Germans will need two full years from the starting point to call up, arm and train 300,000 to 400,000 men to serve with the six-nation European army.

The outlook now is that not a single German soldier will be drafted before early 1953 and perhaps months later. The Germans plan to start their new army with small units of volunteers who later will take over the training of draftees.

Nor do these prospects for German manpower for Western defense take into account a possible change in the West German government. Chancellor Konrad Adenauer's pro-rearmament coalition faces an election battle in the summer of 1953.

Ballots Complete For Penna. Primaries

Harrisburg, Feb. 26 (AP)—Pennsylvania's April 22 primary election slate stands complete and ready for consideration by Keystone state voters.

With the official withdrawal yesterday of Gen. Douglas MacArthur a two-way race shaped up in the Republican presidential preference vote between Gen. Dwight D. Eisenhower and Harold E. Stassen.

Eisenhower, busy on his job as with the bitterly anti-rearmament Socialists.

supreme commander of Allied military forces in Western Europe, will not campaign. Stassen, on leave as president of the University of Pennsylvania, has been driving for votes for some time.

Another leading candidate for GOP nomination for president, Sen. Robert A. Taft, Ohio, did not enter the race.

The Democrats have no entries at all in the presidential ballot. A blank space will appear on both sides of the ballot for write-in names.

The city of Oslo, Norway, was founded more than 900 years ago.

Rayburn Balks TV Broadcast

Washington, Feb. 26 (AP)—Speaker Sam Rayburn's suddenly announced ban on broadcasting or telecasting of House committee hearings touched off a rolling storm of protests from housewives on up to Congress members today but there was no immediate sign it would be revoked.

While Republican congressmen and radio-TV officials complained vigorously against what they termed "raw censorship" and violation of free speech, the House GOP leader,

Rep. Joseph W. Martin, Jr., of Massachusetts, said he doubted anything could be done.

The immediate effect of the ruling, while barring radio microphones and TV cameras from all future sessions of the House and its committees, was to pull the rug out from under arrangements to telecast the open-

ing of House Un-American Activities committee hearings in Detroit yesterday.

The Hearing on communism-in-Michigan finally got under way in relative privacy, after a three-hour delay, but telephone switchboards were flooded by calls from housewives and others who had looked

forward to watching the proceedings on TV.

Littlestown

A. G. EALY TO BE
SPEAKER FOR
C. C. BANQUET

Littlestown as a borough is being arranged. The community was incorporated as a borough on February 23, 1861, and it is an annual custom for the chamber to hold a program and dinner meeting in commemoration of this event. Representatives of the various organizations of the community will be the guests of the chamber at this meeting.

Observe Anniversary

Following the program, a business session will be held in charge of the president, Marvin F. Breighner. Tickets for meal are \$1.50 each and may be secured from the committee consisting of L. Robert Snyder, Edward H. Leister, John D. Basehoar, Dr. Joseph R. Riden and Chester S. Byers or at the Littlestown State bank, Marvin's Cut Rate store and Basehoar's garage. Members are reminded that payment of 1952 dues is in order. The cost is \$3 and may be paid to Chester Byers at the State bank, or the chamber secretary, L. Robert Snyder.

Mr. and Mrs. J. Ralph Reaver and daughter, Bette, York, entertained Mrs. Reaver's parents, Mr. and Mrs. Edward K. Parr, Cemetery street, at their home on Sunday, in celebration of Mr. and Mrs. Parr's 45th wedding anniversary. The Parris were married on February 24, 1907, by the late Rev. Dr. Francis S. Lindaman, then pastor of Christ church, at the parsonage. He is a son of the late Mr. and Mrs. A. H. Parr, White Hall, and Mrs. Parr, the former Bertha Little, a daughter of the late Mr. and Mrs. Robert Little, Hanover. Mr. and Mrs. Parr are the parents of one daughter, Doris. They have resided in Littlestown since the time of the marriage 45 years ago. They received many beautiful gifts as well as messages of congratulations.

Mr. and Mrs. Irvin Miller, South Queen street, entertained at a party on Saturday afternoon from 2 to 4 o'clock at their home in honor of

their daughter, Ellen, who observed her sixth birthday anniversary. Group games were enjoyed by all and the guest of honor was the recipient of many beautiful gifts. Refreshments including a large birthday cake were served to the following children: Ellen Miller, Barry Harner, Terry Pottoroff, Jerry Pottoroff, Jeffrey Waltman, Jay Sentz, Richard Maitland, Barry Rhoades, Carol Ann Fox, Patricia Harner, Linda Krippel, Sally Bauerline, Connie Blair, Eddie Mort and Carol Ann Stuller. Adults present were Mrs. Warren C. Harner, Mrs. Henry E. Waltman, Mrs. Harold Mort, Mrs. Guy Lemmon and Mr. and Mrs. Miller.

The Third District Christian Youth Council of Adams county will hold the first in a series of weekly Lenten services on Wednesday morning at 8:10 o'clock in Redeemer's Reformed church. All students of the local public schools have

been invited to attend by the Council publicity committee. The service will be in charge of Miss Brenda Hess and Miss Myrna Fissel. The Rev. William C. Karns, pastor of St. John's Lutheran church, will be the speaker. This will be the first time that a series of such services have been held in the community for the school children.

Go To Church Home

Gerald W. Sterner, Glenn W. Sterner, Earl L. Baker and Donald H. Messinger served as ushers at the Sunday morning worship service at Christ Reformed church. The bulletin was presented by Mr. and Mrs. Clyde L. Sterner. The altar flowers were given in memory of Mrs. Carrie Spangler Porry, by her children. The board of trustees expressed its appreciation to the congregation for the good response through the repair fund envelopes, which were collected at the services last Sunday. The pastor, the Rev. G. Howard Koons, announced that

Miss Norma E. Miller, of the congregation, has gone to make her home at Homewood Church Home, U. S. Route 11, Hagerstown, Md. It was suggested that members remember her with cards and letters. Denominational Lenten booklets were distributed at the service.

The following announcements were made by the Rev. Mr. Koons: Wednesday, 8:10 a.m., Lenten service for the local public school students in Redeemer's Reformed church, sponsored by the Third District Youth Council; Friday, 7:30 p.m., annual World Day of Prayer service, sponsored by the women's missionary societies of the community churches in St. Paul's Lutheran church with the Alta Hummer society of St. John's Lutheran church in charge; Saturday, 1:30 p.m., at the church.

Mrs. Luther G. Myers, Prince street, will be hostess to the Pathfinders' Sunday school class of St. Mary's Lutheran church, Silver Run,

for the monthly meeting Tuesday evening at 8 o'clock. The time of meeting was changed due to the Lenten service. Mrs. Raymond Lawyer will be the leader for the topic discussion.

The Youth Fellowship of St. Mary's Reformed church, Silver Run, will meet on Tuesday evening at 7:30 o'clock in the church's social

hall. The program will include several films.

SUPERVISORS

(Continued from Page 1)
question is whether you will do it. Offered \$51 Per Mile
"Under the matching funds program the state will give \$51 per mile toward every mile of road you plan to grade, stone, and otherwise repair during the coming year. You can get that \$51 if you match it with \$51 from the money paid in by your taxpayers. You can spend more than \$51 per mile of your own money on the work as well."
Thompson also discussed the loyalty oath bill and other legislation affecting township supervisors. He also said that the townships have the right to allocate funds for purchase of land for ponds for fire protection, or as recreation areas; have the right to obtain a deed for the area, which makes it tax-free; have the right, if they wish, to spend money towards construction of the pond, and have the right to spend money, if they so desire, to construct a recreation area about the pond.

Glenn Jacobs, president of the county association, presided at the meeting.
